ART. 1 PRICIPLES FOR THE COMPETITION PROGRAMME

Art. 1.1 Categories

Competitions in Parkour comprise the following categories:

Speed-run (PKS)

A speed-run event consists of timed runs over an obstacle course.

- Men
- Women

Freestyle (PKF)

A freestyle event consists of athletes performing tricks within a determined time period on an obstacle course.

- Men
- Women

Art. 1.2 General Formats for official FIG competitions

Competitions consist of Qualifications and Finals. The score from Qualification will not be carried forward. All runs, also within the different rounds of the Finals, start from 0 point.

Speed-run

Speed-run Qualifications

The starting order for the first run of Qualification will be determined by a draw. An intermediate ranking list is established at the end of the first run.

The athletes may choose to have a second run. The starting order for this second (optional) run is determined by a draw.

For the athletes who have chosen to have a second run, the result of the second run only counts.

The final ranking list of the Qualification will be established at the end of the second run. In case of a tie at any place, the tie-breaking rules set out in art. 3.1 – Exception – apply.

Speed-run Final

Option 1: Knock-out competition format with “repêchage”

The top eight athletes from the final ranking list of the Qualification participate in the Final.

In case of a tie at any place, the tie-breaking rules set out in art. 3.1 applies in all rounds.

Finals are held in 4 rounds of one run each in a knock-out competition format with “repêchage” as follows:

1st round:

The four pairs (8 athletes) are determined by a draw and a ranking list is established at the end of the 1st round.

2nd round:

The winners of the four pairs (4) plus the two fastest eliminated athletes (2) qualify for the second round which will be held with three pairs respecting their timing at the 1st round as follows:

1st pair: the 1st against 6th,

2nd pair: 2rd against 5th,

3rd pair: 3rd against 4th.

A ranking list is established at the end of the 2nd round.

3rd round:

The winners of the three pairs (3 athletes) plus the fastest eliminated athlete (1) qualify for the 3rd round which will be held with two pairs respecting their timing at the second round as follows:

1st pair: the 1st against 4th

2nd pair: 2rd against 3rd

4th (final) round:

The winners of the 2 pairs of the 3rd round (2) qualify for the final round.

Final ranking list:

1st and 2nd are the two finalists (4th round).

3rd and 4th are determined based on their time at the 3rd round

5th and 6th are determined based on their time at the 2nd round

7th and 8th are determined based on their time at the 1st round

In case of 8 participants, the Qualification will not take place. The participation in finals is based on a draw.

In case of 7 participants, a Qualification will take place. The starting order is determined by a draw. The following round will be carried out according to the 2nd round of finals.

In case of 6 participants, the qualification will not take place. The starting order is determined by a draw. The following round will be carried out according to the 2nd round.

In case of 5 participants, a Qualification will take place. The starting order is determined by a draw. The following round will be carried out according to the 3rd round.

Option 2: Final with one timed run only

The top eight athletes from the final ranking list of the Qualification participate in the Final.

In case of a tie at any place, the tie-breaking rules set out in art. 3.1 apply.

The Final is held in one single run.

The starting order is established based on the ranking after Qualification with the best athlete starting last.

Freestyle

Freestyle Qualifications

The starting order for the first run of Qualification will be determined by a draw.

The runs of a maximum of 90 seconds, are judged based on the criteria defined in the Code of Points.

An intermediate ranking list is established at the end of the first run.

The athletes may choose to have a second run. The starting order for this second (optional) run is determined by a draw.

For the athletes who have chosen to have a second run, the result of the second run only counts.

The final ranking list of the Qualification will be established at the end of the second run.

In case of a tie at any place, the tie-breaking rules set out in art. 3.2 apply.

Freestyle Finals

Option 1: Knock-out competition format with “repêchage”

The top eight athletes from the final ranking list of the Qualification participate in the Final.

In case of a tie at any place, the tie-breaking rules set out in art. 3.2 apply in all rounds.

Finals are held in 4 rounds of one run each in a knock-out competition format with “repêchage” as follows:

1st round:

The four pairs (8 athletes) are determined by a draw. A ranking list is established at the end of the 1st round.

2nd round:

The winners of the four pairs (4) plus the two athletes with the highest score among the eliminated athletes (2) qualify for the second round which will be held with three pairs respecting the score obtained at the 1st round as follows:

1st pair: the 1st against 6th,
2nd pair: 2rd against 5th,
3rd pair: 3rd against 4th.

A ranking list is established at the end of the 2nd round.

3^d round:

The winners of the three pairs (3 athletes) plus the athlete with the higher score of the eliminated athletes (1) qualify for the 3rd round which will be held with two pairs respecting their score at the second round as follows:

1st pair: the 1st against 4th,
2nd pair: 2rd against 3^d

4th (final) round:

The winners of the 2 pairs of the 3rd round (2) qualify for the final round.

Final ranking list:

1st and 2nd are the two finalists (4th round).
3rd and 4th are determined based on their score at the 3rd round
5th and 6th are determined based on their score at the 2nd round
7th and 8th are determined based on their score at the 1st round

In case of 8 participants, the Qualification will not take place. The participation in finals is based on a draw.

In case of 7 participants, a Qualification will take place. The starting order is determined by a draw. The following round will be carried out according to the 2nd round of finals.

In case of 6 participants, the qualification will not take place. The starting order is determined by a draw. The following round will be carried out according to the 2nd round.

In case of 5 participants, a Qualification will take place. The starting order is determined by a draw. The following round will be carried out according to the 3rd round.

Option 2: One single run in Finals

The top eight athletes from the final ranking list of the Qualification participate in the Final.

In case of a tie at any place, the tie-breaking rules set out in art. 3.2 apply.

The Final is held in one single run.

The starting order is established based on the ranking after Qualification with the best athlete starting last.

All-around ranking

Only competitors participating in both categories (speed run and freestyle) will be listed the all-around ranking. This ranking is determined by adding the rank obtained in each category at the Qualifications. The competitor with the lowest total of ranks is the winner.

Art. 1.3 Work-shops and Educational Sessions

All Parkour competitions should include activities such as showcasing, open work-shops, educational sessions and practice opportunities for the young and young-at-heart and a wider public to develop Parkour and promote the sport.

ART. 2 WORLD CHAMPIONSHIPS

The competition consists of Qualifications and Finals per category. See Art. 1.2, competition format option 1.

Art. 2.1 General Layout of Programme

The general layout of the programme is elaborated and decided by the FIG Secretary General in close cooperation with the LOC and the FIG PK-C. The responsibility for the detailed competition and training schedule is with the PK-C President.

The World Championships include competitions in the following 4 categories and medal events:

- Speed-run men
- Speed-run women
- Freestyle men
- Freestyle women

Medals will also be awarded for:

- All-around ranking (speed-run and freestyle) men

ART. 3 TIE BREAKING RULES

Art. 3.1 Tie-breaking rules for the speed-run ranking

Time is measured in 1/1000th of a second and shown in 1/100th of a second.

If there is a tie, the tie will be broken by using the next digit (1/1000th of a second).

If there is still a tie, the tie will not be broken.

Exception:

To determine the starting order and the pairs in the Final, the ties must be broken by a draw.

Art. 3.2 Tie-breaking rules for the freestyle ranking

In case of a tie in points at any place in Qualification and Finals, the ranking will be determined by the following criteria:

1. The higher score for Execution, Safety and Mastery
2. The higher score for Use of the course and Creativity
3. The higher score for Difficulty
4. The average of all judges' scores given for Execution, Safety and Mastery, without eliminating the highest and the lowest score
5. The average of all judges' scores given for Use of the course and Creativity, without eliminating the highest and the lowest score
6. The average of all judges' scores given for Difficulty, without eliminating the highest and the lowest score

If there is still a tie, the tie will not be broken.

Exception:

To determine the starting order and the pairs in the Final, the ties must be broken by a draw.

Art. 3.3 Tie-breaking rules for the overall ranking

In case of a tie at any place, the athlete with the lower total time at the speed-run competition in Qualification prevails.
