Uppsala Gymnastikförening

With only a week left before the 20th Nordic Trampoline Championships in Uppsala 15th-17th October 2026, the organising committee and the Swedish Gymnastics Federation would like to inform all delegations about the latest news concerning the event.

Welcome to Uppsala and Sweden!

Ulf Andersson
Competition Director

Federation/club	Females	Males
TRA seniors	20	19
TRA juniors	24	29
DMT seniors	11	10
DMT juniors	16	20
SYN seniors	5	5
SYN juniors	9	9

NYO DMT	16	4

Schedule

Based on the "final" number of participants/event, we have updated the schedule. Please see appendix 1.

Rules

Please note, as previously communicated, that in the event Nordic Youth Open DMT girls there could be more than 12 gymnasts in the one starting group (at the moment there are 16 girls registered in that class). For reference, see §1.2.4 in the CoP.

Also note that in the event Nordic Youth Open DMT boys there are only four (4) gymnasts registered. Due to that fact, there will be only a Final 2 in that event (where all four gymnasts will take part).

Starting orders

The draw for starting orders took place in Stockholm on October 1se under the supervision of Ulf Andersson, Nordic trampoline co-ordinator. The starting orders are attached to this Bulletin (see appendix 2) and can also be found on https://www.acro-companion.com. If you miss any gymnast or pair or find any other mistakes, please contact trampolin@gymnastik.se immediately.

The starting order for all finals will be decided by a draw respecting rule 1.3.1 of the Code of Points after each qualifying round has been finalized. The starting orders (för Q1 and F) will be found on https://www.acro-companion.com.

Starting orders

According to the FIG Technical Regulations (art. 6.1 in Section 1), the organizer will provide two (2) spotters per trampoline during competition (not during *training*, *warm-up* or *one-touch*). Please have in mind that the spotters are not all coaches or other well trained spotters and you can replace one or more spotters with your own spotter if needed. Every competitor must have at least one coach or fellow delegation member spotting beside the trampoline during the competition.

TV Broadcast of the senior's finals

Please be aware that the new Swedish sports channel **seSport** intend to broadcast parts of the finals live on Swedish TV. More information on this topic will be given at the Orientation meeting.

seSport is only available on Swedish territory, but please be reminded that all competitions will be streamed at Gympabubblan Play - https://www.gympabubblanplay.se/sv/livestream/s-trampolin-nordic-championships-dmt-podier-o0t3y2. The broadcast includes both graphics and live commentary in English. The package costs SEK 99 and includes all broadcasts from day 1 and 2.

National flag

Please note that each Head of Delegation for the respective nation (i.e. Sweden, Denmark, Finland and Estonia) must bring their national flag (ca 180 cm x 110 cm) and present it at accreditation.

Judges

All the judges' panels have been set up by the Nordic Trampoline Commission and can be found in appendix 3. Please note that in this version of the panels, the reserve judges are placed somewhat "randomly". If any judge wishes to change their position they need to contact the Judges' liason Ms. **Jenny Söderlund** (jenny.soderlund@gymnastik.se) asap.

Please note that it is not compulsory for judges to arrive on the Thursday, as long as all judges are present at the judges' meetings.

Orientation meeting

Please not that attendance at the Orientation Meeting (Thursday at 20.00) is **compulsory** for every participating delegation.

Results service

As previously communicated, Acro-Companion will be the supplier of results for the Championships. As Acro-companion may be a new acquaintance for many of you, our head of Secretariat, **Mr. Robert Paulsson**, has produced a 4 minutes long video-tutorial about how to use is as a spectator, coach or gymnast. The video can be found **here**.

WhatsApp group

A WhatsApp-group for the 2026 Nordics has been set up. All HoDs are required and all officials are invited to join the group. Please note that the QR code presented in previous communications is incorrect. The correct link to the group is https://chat.whatsapp.com/DKAY5ctCwPXB2WBvOHHpW5 and the correct QR-code to join that group is shown to the right.

Safeguarding

From the official arrival date until the official departure date of the event, all participants (gymnasts, coaches, judges, and delegation members) may contact the Safeguarding Officer via phone, WhatsApp, or email in case of harassment, abuse, or any concerns affecting their comfort or safety. We now have the pleasure to inform that the LOC Safeguarding Officer will be Ms**. Karin Lindeberg** (karin.a.lindeberg@gmail.com; +46 70 694 83 97).

Competition merch

Official merchandise items for the Nordic Trampoline Championships 2026 in Uppsala will be available. **Vera Sport**, an official partner of Swedish Gymnastics will be selling all the merch at the event in their booth at Fyrishov. You can also order the merch from Vera Sport's website: https://www.verasport.se/eventklader/nm-trampolin-2026/.

Financial obligations – payment

Please ignore all previous information that the deadline for payment of the LOC invoice was September 16th. The LOC will send individual invoice, covering accommodation, meals/banquet and entry fees, to the clubs/national federation within the next few weeks.

Meeting room (K7)

Please note that the meeting room (K7) that will be used for all judges' meetings and the Orientation meeting, is situated above the Fyrishov reception (not in Foajé A).

Hors concours participants

As previously announced, gymnasts/pairs representing a non-Nordic club/federation are competing **hors concours**, i.e. they can't receive medals and will receive an un-official ranking. Except for our friends from Estonia, this applies also to Anouchka van Haaren (a Dutch citizen representing Springteam Nordjylland (DEN). If this applies to any other gymnast, please inform **Ulf Andersson** immediately.

Information

Please make sure that all members of your delegation (in particular all officials, including judges) is reached by the information in this Bulletin and the Work Plan. All delegations are encouraged to submit contact details (mobile phone numbers and e-mail addresses) for all officials (HoD, coaches, judges) to ulf.andersson@gymnastik.se
