House rules

- The school has fixed times when it must be quiet so everyone can get good night's sleep.
- These times are indicated in the school.
- There will be 24/7 supervision, during the day by our crew and during the night by security.
- There is a daily cleaning service at the school, but everyone is responsible for tidying up their own space and leaving the school in the same way as they found it.
- There is no available space for warm up / practice hall at the school.
- Electricity plug/power sockets are limited in this school. Please bring power banks to charge phones

In addition to the specific rules for the school, the World Gymnaestrada 2023 has established general house rules for the safety of everyone.
